

## MEMORY BOX

It is a celebratory box for your pet, red - when still alive, and grey - to keep the past memory. The package is divided into two parts: the first is dedicated to inserting a photo (10.5 x 12 cm), whereas the second includes a block of natural clay to stamp the footprint.

An original way to commemorate our dear four-legged friends in a dignified way.

- › 100% natural
- › Safe
- › Excellent quality/price ratio

### PACKAGE CONTENTS:

- › 1 block of kaolin clay
- › 1 box (13.5x14.5 x 2.5cm) with magnetic closure.

### INSTRUCTIONS FOR USE:

- 1 Separate the plastic container from its cardboard box
- 2 Remove the heat-sealed film
- 3 Since the product is 100% natural, it is not necessary to use gloves or any type of protection. Once the footprint has been taken, the kaolin clay should be left to dry for 48-72 hours: it is made to be cold worked, without cooking.
